RE: Cancellation of REC-Administrative Agreement &
Change in Project Status
Wrightsville Ave Site
Wilmington, New Hanover County, North Carolina
Site ID No. NONCD0002799

Dear Mr. Pike:

Thank you for discussing the Registered Environmental Consultant (REC) Administrative Agreement (REC-AA) and the discontinuation of the approved voluntary cleanup for the Wrightsville Ave Site (Site). As you requested, the REC-AA will be cancelled effective May 24, 2013, which is the date I received your original cancellation notice.

If the Site is determined to be a priority for continued action due to its risk, the Division may seek to require responsible parties to take such action. Otherwise, the Site will be addressed along with the other sites catalogued in order of the risk posed. You should also be aware that regardless of discontinued voluntary remedial action, a technical audit of the project may be completed by the Division in the future and rule violations could result in sanctions against the RSM and/or REC.

If you later wish to re-initiate a voluntary remedial action or if you have any questions regarding this letter and the project status, please contact me at (919) 707-8350.

Sincerely,

Kim T. Caulk
Division of Waste Management
